only
£95

Kibble Education and Care Centre is proud to host the 2012 EFeCT Conference. A number of highly respected international speakers will discuss strength-based approaches to conflict management.

Additionally, and at no extra cost, delegates have the opportunity to attend a study tour of Kibble Education and Care Centre the day before the Conference - contact us early to avoid any disappointment. There will also be a Scottish evening with traditional dancing and light supper on the Wednesday, available for booking.*

Life Space Crisis Intervention Instructors from across Europe will be staying on until the Friday to discuss their use of this advanced interactive therapeutic strategy for turning crises into learning opportunities.

Kibble is currently working with the University of the West of Scotland to articulate Life Space Crisis Intervention and Safe Crisis Management within a Social Pedagogy Degree that will meet forthcoming registration requirements.

You might also be interested in attending the CYC-Net Conference, and a Youth Training and Employment Conference, which will also be taking place at the Glynhill Hotel, on Wednesday 21st and Friday 23rd respectively – keep an eye on the Kibble website (www.kibble.org) for details.
